\$180 Muscular Rehab- The session that all of my Yelp Reviewers love! Most popular with those who Do not get regular body work and want the works into one session! I will test for muscular integrity through movement assessments. I use strong pressure in certain areas to release any adhesion that may be preventing free movement. You will feel your absolute best! It is similar to Physical Therapy only I do all of the work 😊

\$145 Sports Massage/Thai Massage Combo

A variation of Sports Massage Techniques and Thai to fully address the upper and lower musculature. Addresses Muscle fatigue, pain, stiffness, and helps your body move freely. Very relaxing strokes and stretches help realign your balance.

\$275 Soul To Soul Couples Massage

A Relaxation session using medium to firm flowy massage strokes that help quiet the Central Nervous System. Includes a delicious Coconut/Peppermint Foot Scrub. Perfect for couples who want to relax and enjoy their time together.

\$60-\$135 Injury Recovery Specific Treatment

Woke up with a Sore neck, can't move your shoulder, or low back pain? I will address your specific needs within 30 minutes or 60 depending on what you need. I will get into the major muscles affected to release the pain and return your body to normal function. Deep pressure is applied. Not a full body massage.
